

The Future is Social. The Future is NOW.

Inside the VBET NOW Integrated iGaming Ecosystem.

A Parallel Social Universe, 1-Click Away

The Access Point

Entry is via the top-nav green NOW button on Vbet.com. Clicking the VBET logo instantly returns users to the main site.

The Core Shift

Transitioning players from solitary gaming to a unified experience of playing, tournaments, communicating, creating, and competing through profiles.

Instant Navigation

A seamless drop-down menu provides zero-friction access to all major product verticals and the new Rooms social tournament center.

Frictionless Entry & The Single Wallet Architecture

Step 1: Registration

Standard sign-up yields instant Vbet.com bonuses.

Step 2: Base Play

Unverified users can deposit and bet, but cannot withdraw funds or host social Rooms.

Step 3: Ecosystem Unlock

SumSub Verification instantly unlocks full capabilities, including Room creation and withdrawals.

The Financial Rule: VBET NOW operates exclusively on the user's real VBET balance. Complete integration with all standard deposit/withdrawal methods, including e-wallets and crypto.

Rooms: Empowering the Player as Tournament Organizer

Buy-In

Free Entry

Entry Mechanics

Participants pay a set entry fee to join.

Zero cost for participants to join.

Prize Pool Funding

The accumulated entry fees dynamically form the prize pool.

The Room organizer funds the entire prize pool from their real balance.

Organizer Benefits

This basically helps to promote brand awareness, products, which attracts new customers.

Pure social capital—building followings and marketing reach with zero personal income.

Special Feature: Toggle Private Mode to restrict access to curated, password-protected communities.

The Gold Coin (GC) Engine: Fair & Transparent Scoring

1

5,000 GC

Equal Footing

Every Room participant starts with an identical GC balance (e.g., 5,000 GC) acting as non-cashable tournament currency.

2

Real Play, Real Points

1 Real Win directly equals an equivalent Number of Tournament points.

3

Leaderboard		GC Score
1	Player 1	12,500 GC ▲
1	Player 2	10,200 GC ▲
3	Player 3	8,900 GC ▲

Dynamic Ranking

Tournament Winning Points dictate real-time rank on the Room leaderboard.

4

Prize Distribution

At the tournament's conclusion, the real prize pool is awarded based strictly on final leaderboard positioning.

The Alchemy of Competition

Leaderboard		GC Score
1	Player 1	12,500 GC ▲
2	Player 2	10,200 GC ▲
3	Player 3	8,900 GC ▲

The Social Square: Build, Share, and Monetize Fame

Rich Content Creation

Post verified gaming content, photos, and ephemeral Stories.

Digital Identity

Users operate under unique, customizable nicknames securely tied to their underlying VBET ID.

The Social Feed

Scroll a personalized feed dedicated exclusively to followed users and their updates.

Instant Activation

Launch a new Room directly from the social creation menu with a single tap, turning followers into active competitors.

Native 1-Click Streaming: The External Platform Killer

The Innovation

Broadcast Casino, Live Casino, and Betting Games directly inside VBET NOW. No OBS, no external platforms required.

Frictionless Execution

One click on the stream button located directly under the game to go live immediately.

The Value Proposition

Creates a highly effective natural advertising flow, allowing streamers to instantly capture an in-house audience and build a community.

Ecosystem Architecture & Platform Monetization

Strict Real-Money Rule

Bonus money is entirely excluded from funding or joining Rooms to maintain absolute ecosystem integrity.

AGP Transparency

All Buy-ins, Room creation fees, and winnings are rigorously tracked under the AGP's Skill Games ledger.

The Revenue Model

VBET acts as a co-organizer, applying a standard 5% Rake on user-created tournaments. This ensures platform sustainability while incentivizing user-driven growth.

The Product Arsenal: Amplifying the Best in iGaming

VBET NOW doesn't limit the core experience—it wraps it in a social layer.
Full integration of top-tier products directly into the social feed.
